November 12, 2009

Dear Friends of the Patrick Comer Courage Foundation:

November is Pancreatic Cancer Awareness Month.

In support of our Mission, the Patrick Comer Courage Foundation wants to do our part to create a greater awareness about this disease by emailing our network of friends. Pancreatic cancer is the least understood of all the major cancer killers. Please visit our website and learn more about this terrible disease. Also, be sure to encourage your U.S. Representative to co-sponsor Bill HR745. If enacted this bill would give the National Cancer Institute the resources to truly make a difference in the fight against pancreatic cancer. Wear your Patrick Comer Courage Foundation bracelet or ribbon pin as a way of creating awareness during Pancreatic Cancer Month. If you do not have one and would like a bracelet or ribbon pin, e-mail me your address and I will send you one.

As 2009 comes to a close, please consider a tax deductible donation to the Patrick Comer Courage Foundation in memory of Patrick. You can make a donation on-line at www.comercourage.org, or if you prefer, you may send a check to Patrick Comer Courage Foundation, P.O. Box 282, Princeton, MA 01541-0282.

Thank you for your continued support and generosity.

P.S. If you know someone who is not currently in our network of friends, please forward this email to them, it would be greatly appreciated.
