### **SCHOLARSHIP LUNCHEON**

Freshman, Timothy Barrett and Devan Beckman join Jim and Cheryl Comer at the luncheon

On Tuesday, January 6, 2009, 40 benefactors joined 18 students for the annual PCCF scholarship luncheon. Our grateful Pioneers shared their current Saint John's experience with their scholarship sponsors.

Alan Martineau '09, recipient of the Gleason Family Scholarship, spoke about his four year experience at Saint John's and how his Xaverian values-based education will serve him well in college.

Headmaster Michael Welsh '78 thanked our guests for their support of Saint John's and, more importantly, their support of the young men seated with them as they become men of faith and commitment to the global community.
